

AMERICAN-HELLENIC CHAMBER OF COMMERCE

November 10, 2016

On behalf of the Board of Directors of the American-Hellenic Chamber of Commerce, we have found our engagement with Global Sustain to be both strategic and effective. Their tactical approach in disseminating the Chamber's diverse events and activities have been beneficial, as well as their support as a communication sponsor to our annual CSR conference.

The Global Sustain team has a high level of expertise in sustainability issues, strong event management skills, exceptional professionalism and effectiveness.

We look forward to continuing our mutual cooperation, and we truly recommend Global Sustain as a reliable, valuable and professional partner.

Best regards,

Elias Spirtounias
