

Testimonial for Global Sustain

January 2017

To whom it may concern,

ELSA- SILGAN METAL PACKAGING S.A., is the leading manufacturer of rigid packaging for shelf-stable food & other consumer good products, operating in the Greek market since 1928. As a member of Global Sustain corporate community we are receiving a wide range of services on sustainability updates and networking opportunities.

We believe that sustainability will open new windows of opportunities and prospects for our company in the current economic environment and for the future. We have started sustainability training seminars with Global Sustain as we believe that they have the expertise to guide us establishing a more sustainable business. Now we are looking forward for our next steps of our collaboration!

We highly recommend Global Sustain as a reliable, knowledgeable and professional partner.

Sincerely,
