To whom it may concern,

Corporate responsibility and sustainability are of a great strategic importance to the OTE Group, and are inextricably linked to the way we conduct business and create value for our stakeholders.

In this perspective, OTE Group has been a Platinum member of Global Sustain since 2007. All these years, Global Sustain has proved to be a reliable, trustworthy and credible partner. Through online and off-line communication means, stakeholder engaging platforms, training programs, networking opportunities and market intelligence, the Global Sustain team has managed to meet OTE Group's expectations, regarding CR and sustainability.

We very much look forward to continuing our cooperation with Global Sustain and we strongly recommend them for delivering their outstanding services.

Stavroula Aggelopoulou,
