

## TO WHOM IT MAY CONCERN

**SECURICON S.A.** has been in cooperation with Global Sustain since 2013.

During this period of time, Global Sustain has been an excellent partner, and has met all our expectations.

In addition to Global Sustain creative thinking around marketing and communications, they provide us excellent customer service keeping us updated for the latest sustainability trends and services

We are certain that they will continue to efficiently and professionally assist their clientele to manage and communicate their sustainability strategy and actions in Greece and therefore, we strongly recommend Global Sustain as a reliable and sustainable partner.
