

# CERTIFICATION

## of a carbon neutral event

This is to confirm that all Greenhouse Gas emissions associated with the event

**"Sustainability Forum 2014"**, as conducted by

at the Center of Sustainable Entrepreneurship Excelixi SA, on October 03, 2014

were evaluated up to **9 t CO<sub>2</sub> eq**, in compliance with

[WRI/WBCSD GHG PROTOCOL](#) & [ISO 14064-1:2006](#).

These emissions were **fully offset** according to the **CO2 Neutral Seal** rules

through high-quality carbon credits generated by the project

**"Mobuya Mini Hydro Power Plant 3 x 1000 kW North Sulawesi"**, in Indonesia

with ID Num [10000000000267](#) of the Markit Registry. The Offset Transaction ID in Markit Registry has

Serial No : [2735-118634780-118634788-VCU-010-MER-ID-1-238-01012010-31122010-0](#)

The used carbon credits have been verified via the

**VCS – Verified Carbon Standard**
