
Overall B Score

Environment
The Environment section of the Assessment evaluates a company's environmental performance through its facilities; materials, resource, and energy use; and emissions. Where applicable, it also considers a company's transportation/distribution channels and environmental impact of its supply chain. This section also measures whether a company's products or services are designed to solve an environmental issue, including products that aid in the provision of renewable energy, conserve resources, reduce waste, promote land/wildlife conservation, prevent toxic/hazardous substance or pollution, or educate, measure, or consult to solve environmental problems.

Environmental Products & Services (e.g. Renewable energy, recycling) N/A
Environmental Practices 9 6
Land, Office, Plant 6 3
Energy, Water, Materials 2 1
Emissions, Water, Waste 1 1
Suppliers & Transportation N/A

Workers
The Worker section of the survey assesses the company's relationship with its workforce. This section measures how the company treats its workers through compensation, benefits, training, and ownership opportunities provided to workers. It also focuses on the overall work environment within the company through management/worker communication, job flexibility and corporate culture, and worker health and safety practices.

Compensation, Benefits & Training 22 12
Worker Ownership 9 1
Work Environment 5 3
Customers
The Customers section of the Assessment measures the impact a company has on its customers. The section focuses on whether a company sells products or services that promote public benefit, and if those products/services are targeted towards serving underserved populations. Questions in this section will measure whether a company's product or service is designed to solve a social or environmental issue (e.g. improves health, preserves environment or creates economic opportunity to individuals or communities, promotes the arts/sciences, or increases the flow of capital to purpose-driven enterprises).

Customer Products & Services  53  N/A
Products & Services  53  N/A
Serving Those in Need  N/A

Community
The Community section of the survey assesses a company's impact on its community. The Community section evaluates a company's supplier relations, diversity, and involvement in the local community. The section also measures the company's practices and policies around community service and charitable giving. In addition, this section includes if a company's product or service is designed to solve a social issue, including access to basic services, health, education, economic opportunity, arts, and increasing the flow of capital to purpose-driven enterprises.

Community Practices  26  15
Suppliers & Distributors  6  2
Local  6  5
Diversity  4  2
Job Creation  2  2
Civic Engagement & Giving  8  3

Governance
The Governance section of the Assessment evaluates a company's accountability and transparency. The section focuses on the company's mission, stakeholder engagement, and overall transparency of the company's practices and policies.

Accountability  7  3
Transparency  5  3
Overall  164  55

80 out of 200 is eligible for certification
