About Athens Sustainability Forum 2024

Athens Sustainability Forum is organised by Global Sustain for 14 consecutive years.

Athens Sustainability Forum updates every year corporate executives on sustainable transformation and responsible business.

This year, the following topics will be addressed:

-  Challenges and Opportunities for Sustainability
-  The European Sustainability Reporting Standards (ESRS)
-  The Corporate Sustainability Reporting Directive (CSRD)
-  Leveraging Technology for ESG Integration
-  Digitalizing Sustainability
-  ESG Due Diligence
-  Responsible, Sustainable and Resilient Supply Chains
-  ESG Investing in Practice

ESG integration is the “one and only way” for every company, including **SMEs**, to access capital and strengthen their competitive advantage in a market regulated by ESG legislation and standards.
